

# **Social Media Problem Statement(draft)**

Author: Alondra Arredondo

## **Problem Statement:**

Children should have increased protections on social media and gaming platforms.

## **Who is affected by the problem?**

Children and possibly those around them(eg. parents/guardians, family members/household).

## **What is the problem?**

Children are being negatively affected due to social media use or being posted online.

## **Where does the problem present itself?**

Social media, gaming platforms, and in real life.

## **Why does it matter?**

Protecting young children
